Lee Tilghman transitioned from her successful influencer career to a traditional office job. She had been a prominent figure in the health and fitness scene, generating a substantial income from her social media presence. Nevertheless, her subsequent tech job turned out to be a _____ (l. ____) as she was under no more pressure to please anyone once her working hours were over. Her new colleague could not understand Lee's choice - he would have gladly lived Lee's old life. But the new job freed her from the _____ (l. ____) that being an influencer had put on her.

Following the peak of her online fame, Ms Tilghman went through challenges, including mental health issues and a desire not to _____ (l. ____) her daily activities for social media posts, which made her leave her influencer career. Recently, she organized a course to help others navigate the transition from influencing to a more conventional work life. These _____ (l. ____) lessons focused on skills such as compiling a CV rather than promoting a sensible influencer lifestyle. For a few extra dollars, she has held individual consultations, assisting people to _____ (l. ____) their exit from influencing. Critical voices accused her of doing what she did as a _____ (two words, l. ____). Lee Tilghman, however, insisted that she merely wanted a return to a regular, unglamorous job.

2. Multiple Choice (paragraphs C-E)**(2)**

Mark the most suitable option by crossing ☐ the appropriate letter.
